PROFILE

I'm a UX Designer with a focus on quality user experiences that meet business goals. I'm a self-learner who enjoys a challenge and I recently received a UX Certificate from the industry leading Nielsen Norman Group.

EXPERIENCE

SENIOR UX DESIGNER JAN 2001 - Present

CRU GLOBAL I work on a team that designs a suite of mobile and web based tools. My duties include ideation, wireframing, design for mobile and web, UX and UI reviews, usability testing and documentation.

ADJUNCT PROFESSOR AUG 2005 - DEC 2007

INTERNATIONAL ACADEMY OF DESIGN AND TECHNOLOGY

I taught two classes per semester at night. Web Design (HTML & CSS) and Web Animation (Flash). I wrote my own curriculum and tests. Each class was 50% lecture and 50% graded lab projects.

WEB DEVELOPER JUN 1998 - OCT 2000

UNIVERSITY OF CENTRAL FLORIDA I designed, built and maintained the first Parking Services website where students could pay for parking decals online. This cut the wait lines down at registration time from 2 hours down to 15 minutes.
